Restrictions Ordered On Livestock from Arizona, New Mexico as Step to Prevent Screwworms Moving into Texas Areas

The severe screwworm situation in Arizona and New Mexico has prompted the Texas Animal Health Commission to control movement of animals from these states into Texas, reports a U.S. Department of Agriculture spokesman. Dr. James E. Nory is assistant director of the Screwworm Eradication Program and veterinarian in charge of the sterile fly distribution center here. By May's end Arizona had recorded 569 identified screwworm samples from animals in ten counties. Until this year the 229 recorded through May of 1977 was the worst over in the 16-year history of the program, says Nory. Nineteen screwworm cases have been counted so far in three southern California counties; and in

Fort Worth Farm, Ranch Club Will Hold Tour June 16

Fort Worth — Three Tarrant County cattle and horse ranches will be visited during a Fort Worth Farm and Ranch Club tour June 16, says Charles Rollins, tour committeeman. The group will be hosted by Charles Moberly of Oresson, Mickles Valleyview Ranch of Weatherford and John B. Collier IV's Diamond O Ranch at Stephenville. The club is made up of agribusiness men and women in the Dallas and Fort Worth area and a tour of area farms and ranches is an annual event. The tour will depart the parking lot west of the stock show offices at 8:30 p.m. Friday, June 16, and will proceed to the Moberly Ranch, where guests will look over the ranch, view the Hereford cattle and participate in a short livestock judging contest. Rollins says. After refreshments, the tour will move on to the Mickles Valleyview Ranch at Stephenville.

Feeders \$1-\$2 Lower At Oklahoma City

Oklahoma City, June 5 (USDA) — Receipts 4,500. Moderately active at best; slaughter cows 1.00-2.00 lower; bulls slow 1.00-2.00 lower. Cows: Utility and commercial 2-5 34.25-35.00; cutters 33.00-35.75; few minor and low cutters 31.00-31.25. Bull: Yield grade 1-3

Bergland's Report on Economic Advisors Proposals to Roll Back Beef Prices Is Credited with Beef, Cattle Price Loss

BY TED GOULD
When Secy. of Agriculture Bob Bergland announced last Monday that Administration economic advisors had projected a three pronged set of proposals concerning beef prices he apparently triggered something that might be called the "Memorial Day Massacre" in cattle and beef circles. Bergland said the advisors suggested renegotiation of the voluntary restraint agreements with foreign beef suppliers to allow a higher level of imports, or suspending all beef import restrictions, or taking no action at this time. The threat of opening the gates to greater or unlimited beef imports by the Administration came at a very bad time, since beef prices at wholesale levels were already teetering toward the downside, a not unusual situation following a long holiday weekend when eating habits normally go astray. The threat of Government intervention in the beef business served to add to the confusion of the markets. On both Thursday and Friday the beef futures markets and feeder steer markets broke the limit, at the same time the dressed beef trade turned sharply lower. By the close last week the carlot trade out of Amarillo was reported \$2 to \$3 lower on both steer and heifer beef. In Colorado steer beef closed \$1 to \$1.75 lower and heifer beef \$2 to \$3 lower. Midwest beef quotations at the close showed steer beef steady to \$1.50 lower and heifer beef off by \$3 to \$3.50.

Fed Cattle Sharply Lower Monday at Major Markets, Hog Prices Mixed

Around the major terminal markets on Monday a normal run of slaughter cattle and hogs appeared. Prices of fed steers and heifers were sharply lower as the down turn in beef and cattle prices carried over into the new week. Slaughter cows were mostly lower with prices 50c to 2.00 off at various markets. Hog prices were mixed with ups and about evenly divided. Price trends, quotations on choice and prime fed steers and heifers and the mixed good and choice grades and the quotations on U.S. 1-8 hogs usually weighing 200 to 250 pounds included:
Omaha fed steers closed 2.00-4.00 off, heifers 2.00-3.00 lower. Steers 67.00-69.75 and 66.00-67.50; heifers 65.50-68.00 and 63.50-65.50. Hogs steady to firm at 47.25-50.00. Sioux City fed cattle 2.00-3.00 lower. Steers 67.50-69.50 and 65.50-67.75; heifers 64.50-66.00 and 62.50-64.50. Hogs steady to 25c higher at 47.50-50.00. Joliet steers 2.00-2.50 lower, heifers 1.50-2.00 lower. Hogs steady to 25c higher at 47.50-50.00. St. Louis fed cattle 2.00-3.00 lower. Steers 66.00-69.50 and 64.00-65.00; heifers 64.50-67.50 and 62.00-64.50. Hogs 60c lower at 47.50-50.75. St. Joseph fed cattle 2.50-3.50 lower. Steers 67.50-69.50 and 65.50-67.00; heifers 65.50-67.50 and 64.00-65.50. Hogs steady to 25c higher, except over 270 lbs. 50-1.00 lower, at 48.00-49.75. Kansas City fed cattle 2.00 lower. Steers high good and choice 66.50-68.25; heifers 64.50-66.50 and 62.50-64.50. Hogs weak to 25c lower at 47.00-49.75.

Cattle, Calves Steady, Hogs \$1 Lower At Fort Worth

Fort Worth, June 5 (F-S) — Receipts 2,800. Slaughter cows steady, instances 50c higher on high dressing utility. Slaughter bulls steady in short supply. Feeder steers and steer calves steady. Feeder heifers and heifer calves firm. Stock cows and pairs steady. Slaughter Cows: Utility 2-5 35.00-40.00; cutter 38.00-37.00; canner 39.00-39.25. Slaughter: Bulls: Yield grade 1 1200-1600 lbs. 42.00-45.75. Slaughter Steers and Heifers: Good 600-900 lbs. 62.00-58.00. Feeder Steers: Choice 250-400 lbs. 68.00-76.00; 400-500 lbs. 65.00-70.00; 500-600 lbs. 62.00-66.00. (CONT. ON PAGE 9)

Direct Feedlots At Standstill, Trade Awaits Developments

Amarillo, June 5 (F-S) — Trade at a standstill throughout the Panhandle area early Monday. No sales reported on slaughter steers or heifers. Most feedlots reported little or no inquiry and buyers that are out are just running inventories and not bidding on cattle. Trade extremely slow throughout the Panhandle area Friday and over the weekend. Not enough steers or heifers reached to fully test trade. Limited supply of heifers 2.00 lower. These were hedged cattle. Heifers 800c. Good and mostly choice, 65-75 percent choice, 2-3 900-925 lbs. 65.00-66.25, 5 loads mixed 900-925 lbs. 65.00-66.25, 6 loads mixed 900-925 lbs. 65.00-66.25. (CONT. ON PAGE 9)

Beef Imports

(CONT. FROM PAGE 1)

Stockers and feeder cattle auctions late in the week reflected a lower trend in most areas and forward contracting of stockers and feeders in all areas except some in the Western States were reported slowed or stopped as most buyers took to the sidelines to determine whether the lower beef market was temporary or pointed to a definite trend away from the recent record high levels.

Texas Cattle Feeders Assn., President Leon Miller discounted the beef import issue raised by Bergland. He was quoted as referring to it as a "paper" club being used by the Administration to bluff beef prices lower. Six million pounds of extra imported beef could be brought in if all restrictions were lifted, Miller pointed out. This figure to add only 1% to the U.S. supply, it would compete primarily with grass fed or cow beef in the form of manufacturing beef and would not impair the fed beef market. It would be too small to make any appreciable difference.

When the recent Consumer Price Index figures were announced and the

Page 2

finger of blame was pointed at rising beef prices, the beef business immediately became a "news event" not only for food oriented publications and broadcasters, but also something for the general news reporters to feature. Fortunately the farmers and ranchers' spokesmen have been getting the message to the news media concerning the causes of the rising prices and explaining that although the rise in cattle and beef prices has been spectacular, it was a long overdue adjustment following years of negative returns for cattlemen and beef operators.

There has been no threat yet of anything similar to the notorious beef boycotts of 1973, and this appears to be due to the fact that the economic troubles of farmers and ranchers have been understood by consumers and by the news media this time due to efforts of agricultural spokesmen to detail their situation. This was highlighted by the American Agriculture Movement's demonstrations as well as the efforts of other organized farm and livestock groups to see that consumer activists, government and the general public knew what the problem was and had been.

WEEKLY LIVESTOCK REPORTER

June 8, 1978

For the first time spokesmen in farmers and ranchers got their message across before others were able to distort the facts. Time alone will tell whether last week marked the peak of cattle and beef prices in this current cycle, but the drastic action is accelerated by the threat to open its doors wide to foreign beef imports. It appears legislation pending in Congress to lighten up on meat imports, which was opposed by the Carter Administration, is probably dead for the session of Congress.

75 Females

Here's how to make
EXTRA
PROFIT
on your grass!

Produce
EXTRA GAINS
that cost as little as
20¢ to 25¢ per pound
with
EVERGREEN
BEEF
DEVELOPER
"It costs less because it does more!"

Many of our customers
get an extra pound of
gain with every
2 to 3 pounds of feed.

We're taking the extra gain! as much as an extra pound per head per day! On 50 head, that's 4,500 pounds in just 90 days! . . . 5,000 pounds in just 100 days! Soon after starting Evergreen Beef Developer, you can actually see your cattle "turn on" . . . see improvement in metabolism, and buyers often pay a premium for cattle that are muscled, conditioned and ready to "take off" in the feedlot. Beef Developer is also excellent for developing young bulls and heifers for hard packers, or it can be used to stretch your pasture to carry on to make the grade.

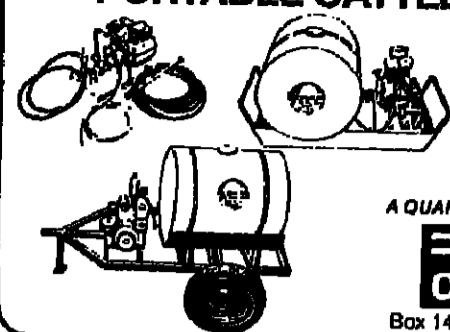

Many feeders report getting 50 pounds extra gain for as little as \$12.50 feed cost.

Add pounds of
extra profit to
your calves, too!

AT THE RANCH
KENEFIC,
OKLAHOMA

Kenefic, Oklahoma is 10 miles north of Durant on State Hwy. 48 to Intersection, of State Hwy. 22. The Ranch is 2 miles north of this intersection on gravel road then 1/4 mile west.

Typical structure and growth of the 1/2 blood Beefalo heifers by B-17.
SHE SELLS AS LOT 66!

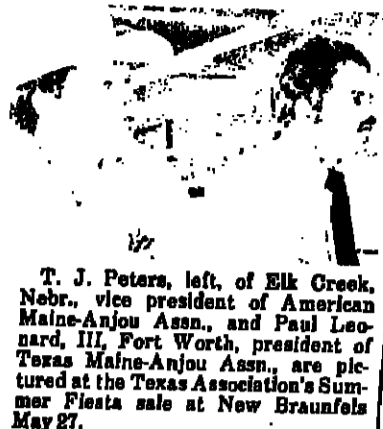

This excellent 19% Bison heifer is carrying a 44% Bison calf and SELLS AS LOT 71

Outstanding Purebred Limousin female representing the excellent foundation of this breeding program and is carrying a 38% Bison calf, SELLING AS LOT 18!

MAINE-ANJOU NEWS

T. J. Peters, left, of Elk Creek, Neb., vice president of American Maine-Anjou Assn., and Paul Leonard, III, Fort Worth, president of Texas Maine-Anjou Assn., are pictured at the Texas Association's Summer Fiesta sale at New Braunfels May 27.

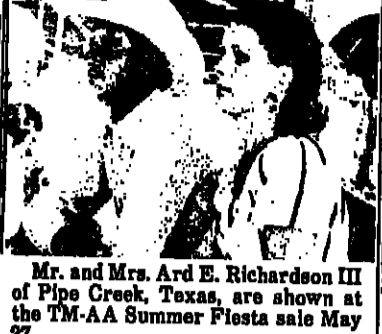

Dr. R. C. Norman, owner of Nor-Tex Farms at New Braunfels, releases a hand to bid during the Texas Maine-Anjou Summer Fiesta sale which he hosted May 27.

O. V. Higginbotham, owner of Plum Creek Ranch at Lockhart, and Byron L. Cook, right, owner of Tico J Cattle Co., at McAllen, were among major buyers at the Texas Maine-Anjou's Summer Fiesta sale May 27.

Bill Craig, left, is general manager, and Alan Weiss, right, is president of Maine-Anjou Cattle Co. at Dallas. They are pictured at the TM-AA Summer Fiesta sale May 27.

Mr. and Mrs. Ard E. Richardson III of Pipe Creek, Texas, are shown at the TM-AA Summer Fiesta sale May 27.

Rusty Rhone, left, and his father Don Rhone of Rhone Ranch, registered Maine-Anjou breeders at Coleman, Texas, were among the buyers at the Texas Maine-Anjou's Summer Fiesta sale at New Braunfels, Rhone Ranch will host a field day for the Texas Association and its junior association tentatively scheduled for Aug. 12.

Maine-Anjou Bull Test To Begin June 10, Brownwood
Brownwood — Another Maine-Anjou bull performance test will be held at Howard Payne University at Brownwood beginning June 10. Calvin Fryar, test chairman, said persons interested in entering bulls in the test should begin selection and preparation as soon as possible. For further information on the test contact Fryar, Box 1508, Brownwood, Texas 76801, phone 915/845-186.

June 8, 1978 WEEKLY LIVESTOCK REPORTER Page 6

Restrictions Ordered
(CONT. FROM PAGE 1)
New Mexico the May 31 total was 74 cases. Texas recorded 18 cases during the same period.
On June 1 TAHC issued regulations to make sure eastbound livestock and trucks are not taking screwworms into Texas. Arizona and New Mexico animals now may only enter Texas under a permit issued by TAHC. Under the permit, animals must be inspected and found free of screwworms within 72 hours preceding shipment, and be either sprayed or dipped. This must be done under supervision of a state or federal animal health official, or by a federally accredited veterinarian in private practice.
The better than usual grazing conditions in Arizona are the result of a warm winter and above normal moisture. This also produces an ideal environment for the screwworm fly. To combat the population, the Texas Animal and Plant Health Inspection Service is releasing sterile flies to mate with the fertile, wild flies.
"The Texas screwworm situation broke wide open with astonishing speed during the second half of May," comments Dr. M. E. (Gotton) Meadows, Jr.

Replacement Cattle Steady to \$3 Off During Past Week
St. Joseph, June 2 (USDA) — National feeder cattle and calf receipts this week 225,700, last week 220,000, year ago 181,500. Feeder cattle and calves unevenly steady to 3.00 lower, late week sales showing the most decline. Price declines overrode advances by the largest margin for a week in the past 6 months. Seasonal decline in quality as most choice grass cattle already on pasture, particularly calves. Aggressive fall contracting in some areas.
Exceptions to the decline in prices, Iowa auctions, Kentucky auctions and fall contracting in Montana. Few places higher early in the week but declines on late week sales.
River Markets: 22,900. Steers: Choice 800-400 lbs. 68.00-75.00, Sioux City 813 lbs. 79.00. Choice 350-500 lbs. 58.00-65.00.

Page 7

May 8 in Presidio County, were particularly unexpected.
The surprises started May 15 with confirmation of a case in west-central Texas' Coleman County, followed promptly by a second in that county and cases in Mitchell and Stonewall Counties. Along with those in west-central Texas came six in three south Texas counties — Live Oak, 4; Hidalgo, 1; Wilbrey, 1.
The Big Bend area was strongly represented at month end with two cases in El Paso County, another in Presidio, one each in Culberson and in Brewster. This brought the 1978 total to 18 through May, compared to 22 at the same time last year.

For years, cattlemen have sought the perfect breeding combination that would give them animals they could depend on for consistent profit.

To make it in today's cattle business, farmers and ranchers must have a breed that is consistently profitable. This means cattle must breed on schedule and calve easily, gain quickly on range grass and the less expensive feeds, be disease resistant and cost little to maintain. At the same time, the carcass must grade choice with consistency and be preferred by packers and consumers.

After studying all the different breeds and crosses, more and more cattlemen are finally discovering the perfect breed for today's market — **BRANGUS!**

The key is the 3/8 Brahman-5/8 Angus combination. This heritage yields animals that show consistent profit. Brangus give you the most pounds of meat at the lowest possible cost, and at the same time bring top prices at the stockyards and in the supermarket.

Hardy! Adaptable! Profitable! **BRANGUS!**

The breed you've been waiting for.

BRANGUS!

Any Country is Brangus Country. / An American Breed Since 1949.

TEXAS RED ANGUS NEWS

Andre Garault, left, of Grapevine, Texas, and his wife, Jeanne, are shown with one of their Texas Red Angus bulls at the Texas Red Angus Field Day at Justin, Texas, June 3 and 4. Andre is a graduate of the Texas Red Angus Junior Heifer Show at Clark McKeel's place near Justin, Texas, and is shown with a heifer bred by Tim Bauer and owned and shown successfully by Paula Clayton of Winnie.

Texas Red Angus Field Day Held June 3 At Justin

Justin, Texas — Clark McKeel's Texas Red Angus ranch near here was the scene of the Spring meeting and field day of the Texas Red Angus Association, Saturday, June 3. A meeting of the association's directors was also held at 7:30 p.m. June 2, in the Red Angus Assn. of America national office in Denton. The field day activities included a membership meeting and evaluation of cattle including several breeders' herd sire on display and about 20 heifers brought to the event by Texas Junior Red Angus Assn. members. After a Dutch treat lunch, a junior heifer show was held with Dr. Steven Hommick, Stephenville, as judge. Dr. Hommick, area beef cattle specialist with the Texas Agricultural Extension Service, was the

featured speaker on the program. Later that day the group went to the national office in Denton for a tour of the facilities and a workshop on registry and transfer led by Mike Sweet, executive director of Red Angus Association of America.

Houston Show Is Leading Donor of Ag Scholarships

Houston — The Houston Livestock Show and Rodeo last week became the largest donor of agricultural scholarships in the United States. "We are doubling the number of four-year scholarships which we award annually," said N. W. Freeman, newly elected Chairman of the Board. "We will present 100 scholarships valued at \$4,000 each to 4-H and FFA members this year. During the coming school year, the Show will have 246 students on scholarship — representing a \$1.84

Raymond Trammell, Ernest Clark and Mark Miller, all of Joshua, are shown with one of their Texas Red Angus heifers at the Texas Red Angus Junior Association heifer show at the TBA field day June 2-3 at Clark McKeel's place near Justin.

million commitment to keep these students in school. Making the announcement at the association's 1978 annual membership meeting in the Astoria, Freeman noted that 201 students will be four-year award winners and 38 will be recipients of one-year, \$1,500 scholarships. The show also funds six graduate assistantships at a total value of \$15,000.

"This significant increase is a direct result of the overwhelming support which this Show has received from the public," Freeman said. "Without this enthusiastic backing, we would never have been able to announce this expansion of the program."

At the meeting, Allen H. Carruth, Chairman of the Executive Committee, and Managing Partner of John L. Wortham & Son, was elected to serve as the twelfth president of the association. He succeeds Freeman, who was elected as Chairman of the Board.

Carruth has been a member of the association for more than 15 years and served as a vice president from 1969-71. He has been actively involved in all phases of show activity and has been chairman of the membership committee.

Elected to first terms as vice presidents were Freeman Dunn, Claude Meyer, both of Houston, and Hal Husbands of Rosenberg. Elected as vice presidents were Phil Bongio, Hall Hillman, Dr. John Zerback, Don Jordan, E. A. Bud Olson and Henry Schumacher, all of Houston. Cliff Hawthorne was elected to his first term as secretary and Edgar Younger, Jr. was elected to his first term as treasurer/assistant secretary.

Newly elected members of the board of directors are J. J. Aoy, William Bergfeld, Gary Crutcher, Gary T. Harrison, O. L. Harris, L. B. Bryan Rutledge, Ross Kilpatrick, Robert C. Metzler and Homer Trimm.

Livestock Slaughter, Meat Production

Washington, June 2 (USDA) — Total meat production under federal inspection for the week ended 6-3-78 was estimated at 976 million pounds. This was 16% below a week ago, and 4% below a year ago.

Terri Hill, Barry Nabours, and Bobby Nabours, all from Temple, are shown with some of their Red Angus heifers brought to Clark McKeel's place near Justin for the Texas Red Angus Field Day held there June 3 and 4. Bobby is president and Barry vice president of the Texas Red Angus Junior Association.

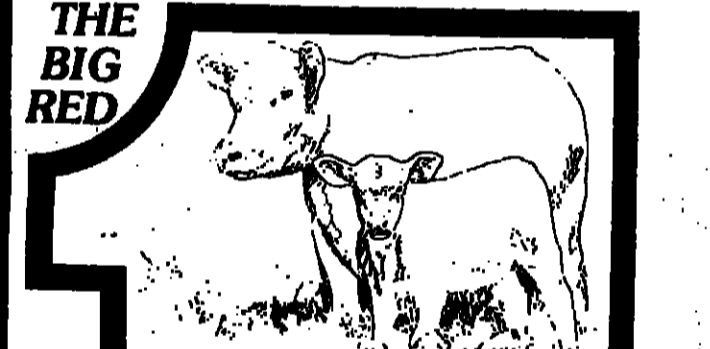

25th Convention Of AARA Oct. 31-Nov. 4 In San Francisco

Denton — Details of the Silver Anniversary Convention, show and sale of the Red Angus Association of America in San Francisco Oct. 31 to Nov. 4 are now being planned, said Mike Sweet, executive director of the Association. The National Red Angus show will be held in San Francisco's Cow Palace Nov. 3 following the national convention from Oct. 31 to Nov. 2, and the national sale will be held at 8 p.m. Monday, Nov. 4 in the Cow Palace.

Clifford Halfmann, Brown, president of Texas Red Angus Assn., said efforts will be made to attain sufficient Texas association members attendance at the convention to justify chartering a plane for the trip.

Gordon Edge, Houston restaurant owner, was elected to serve on the Executive Committee. Officials promised that the 1979 Show, February 21 through March 4, would equal the unparalleled success the Show had enjoyed in 1978.

THE BIG RED

WORKIN' MAMMA
She's Big, She's Red. And she works 365 days a year. What more can a cowman ask for?

There is really nothing spectacular about a cow cycling regularly, breeding normally, giving birth to a thrifty healthy calf, producing enough milk to raise and wean that calf at a profit and all the while is able to maintain her own condition and repeat the process again and again.

For the Red Angus cow that is not spectacular. She was designed to be "efficient" and she is. This is why she is known as the Big Red Workin' Mamma.

For Profitable Performance look for The Big Red One...

TO LOAD:

1 Simply back up to bale (Photo 1), apply brakes to bale carrier;

TO UNLOAD:

2 Continue backing until loading arm falls over bale, (Photo 2)

TO UNLOAD:

3 Then pull away, loading bale as you go (Photo 3)

TO UNLOAD:

4 Reverse Above procedure, stopping as bale rolls off carrier (Photo 4)

No Special Hookup needed other than Push-pull switch installed to activate brakes (12 volt). May be used either on pickup or on tractor too small to handle bales on lift.

ROUND BALE FEEDER

8 ft. in Diameter 2' High for Easy Shipping. Bolted Assembly. Available With or Without Expanded Metal Bottom Ring.

HAY HAULER

Biscuit Hill Anxiety 4th Herefords To Be Dispersed June 21

Sulphur, Okla.—Hereford breeders will have a "Female Opportunity Selection Day" in the complete dispersion and production sale of the Biscuit Hill Farms Certified Anxiety 4th Herefords, Wednesday, June 21, beginning at 10 a.m., at the Turner Ranch sale barn at Sulphur.

Selling will be 400 lots including 140 pairs, 100 bred heifers, 150

open heifers, and 10 herd bulls and herd bull prospects. The herd bulls selling are the sires of the calves at side on the Biscuit Hill cows. At the time we purchased this herd at private treaty in the Spring of 1977, it was advertised as the largest Certified Anxiety 4th herd in Oklahoma. Included in the 100 bred heifers and 150 open heifers will be some that sell in groups with 175 of Turner Ranch breeding and 75 are from the Biscuit Hill herd. Sires represented in these heifers are Sam Donald Jr., TR Mainstream, TR Prince William, TR Brae Arden 1821, and TR Deefour.

Oklahoma Hereford Field Day, Tour, Sale June 28-29

The Oklahoma Hereford Association will hold a junior association field day on June 28 at the Watson Ranch, Morris, Okla., and OHA tour the following day with seven stops at leading Oklahoma Hereford breeders' places, with the tour climaxed at 5 p.m. that day with the "Sweet Sixteen" sale at Healey Bros. Ranch at Davis.

Headquarters for the junior field day and the tour will be the Holiday Inn at Ada, phone 405/882-8000.

The tour will begin early the morning of June 29 with the first stop scheduled at the E. L. "Sleet" Cowen Ranch at Stratford, Okla. At 9:15 the tour stops at the Spur J Hereford Ranch, Sulphur, at 10:30 a.m. at Dr. G. T. Easley Herefords, Springer; at 12 noon, at the Jud Little Ranch, Springer, where lunch will be served; at 3 p.m. at the Keith Smith Herefords, Ardmore; and 5 p.m. at Tepee Ridge Ranch, Davis. These ranches will host the noon meal. At 7 p.m. the tour arrives at Healey Bros., where the Healeys will serve dinner prior to the sale.

Auctioneer for the sale will be George Morse, Lenexa, Kan., and Guy Shull, secretary-fieldman for the Oklahoma Hereford Assn., will be 0614. The bred heifers carry the services of FL Big DP Lad 9 and The Big Arthur 6061.

The herd bulls selling are TR L1 Domino 0402, TR Donald Jr 2502; TR Okla Prince 2895 and his brother, and another son of Sam Donald Jr., TR Okla King 2074; and TR Sam Donald 2775. Two of the young herd bull prospects that sell are TR Brae Arden 3880 and TR Brae Arden 3418.

Lunch will be available at the sale which will be auctioneered by George Morse and Guy Shull.

For further information or catalogs contact Charles Roos & Sons, owners, Roos Cattle Co., Route 2, Sulphur, Oklahoma 73086, phones 405/622-2151, 622-2152 or 456-7249.

GEORGE MORSE, Auctioneer - GUY SHULL, Sale Manager

These are the finest sixteen pairs we could find in Oklahoma. Good and I have worked several weeks getting them selected and they are certainly a terrific offering. Many of the great young bulls of Oklahoma are represented through their get and service. This should be the premier offering of the year in Oklahoma. We hope you will try to be there!

Brahman News...

Neches River Sets Brahman Production Sale For June 9

Jacksonville, Texas — The First Neches River Ranch Gray Brahman Production Sale will be held Friday, June 9, 1978. Sale time is 1:00 p.m. at the ranch at Jacksonville, Texas.

Selling will be 100 Gray Brahman Females, all bred or with

Gene Leslie Red Brahman Avg. \$866

Commerce, Texas — Gene Leslie's Red Brahman dispersal near here May 27 grossed \$98,970 on 114 lots for an average of \$866. The sale consultant was Richard McEneaney, Mr. Pleasant, and auctioneer was Stanley E. Stout, Lincoln, Kan.

Twenty-eight heifers sold for \$25,075 to average \$896; 82 pairs for \$38,700 to average \$1005; and 35 cows for \$28,485 to average \$775. Nineteen bulls grossed \$19,860 to average \$708. E. M. Humphries, Wolfe City, and Jeff Bell, Mt. Pleasant, each paid \$1800 per lot to share top buyer honors. W. T. Moss, Cooper, paid \$1700 for a female lot; and Dr. R. C. Tompkins of Commerce paid \$1600 for another female lot.

The top selling bull went to Gene Godby Brahman Ranch, Bonham, for \$1275. Next high bull was purchased by M-Bar Ranch, Magnolia, Miss., for \$1200; third high by Fred Nowak, Bremond, for \$1100 and Pete Hawkins, DeKalb, for \$1100.

Nowak was top volume buyer, taking 81 lots; Dr. Tompkins bought 13 lots; Harry English, Lufkin, nine lots; Dr. Thomas D. Howard Idabel, Okla., several lots.

If you think talk is cheap, try hiring a lawyer.

Arkansas Brahman Assn. Field Day Scheduled Aug. 12

Sheridan, Ar. — The Arkansas Brahman Association's annual field day will be held here at Haynes Hurricane Ranch on August 12.

The day's program includes a "Brahman Swap Mart," ranch tours, and guest speakers. A contest will be conducted by Haynes Hurricane Ranch and a registered Brahman heifer will be awarded to the top boy or girl. This heifer's first calf will go back into a pool kept by the ranch for the purpose of providing calves for the yearly contest.

The program starts at 9:00 a.m. at the Hurricane Ranch showbarn. Lunch will be served. Arkansas Brahman Association members are welcome to display their cattle at the field day. These can be sold or traded if desired.

For more information on the field day, "Swap Mart," or the heifer contest please contact Dickie Haynes, Route 3, Box 99, Sheridan, Arkansas 72150, telephone 501/942-4114.

Eighty-five percent of the increase in food costs during the past four years have been due to increased marketing costs added by the middlemen, not increases in the farmer's costs.

South Texas Brahman Assn. Announces Supreme Sale Plans

The South Texas Brahman Breeders Association has announced that Bert & Robben Reyes, sale managers and auctioneers from San Antonio, Texas, will manage and auctioneer the 1978 South Texas Brahman Breeders Supreme Sale to be held during the San Antonio Livestock Show and Rodeo on Saturday, Feb. 11, 1978.

Jim Ferguson, Jr., President of the South Texas Brahman Breeders Association, announced that the sales committee will screen the cattle to assure that only real top quality will be sold in this Supreme Sale. He promptly urged all of the breeders to go and select their very best cattle because the entire Brahman industry will be working together to make this one of the

greatest events in Brahman history. The San Antonio Livestock Show has assured the South Texas Brahman Breeders Association that they will work towards making this sale a real historical event. The 1978 San Antonio Livestock Show and Rodeo should be the largest ever with Saturday, Feb. 11, being the biggest day, drawing people from all over the world. The South Texas Brahman Breeders Association feels real proud of the fact that their sale will be held on what could be the largest crowd of cattle and agriculture people ever to witness a livestock show.

A hard working and progressive sales committee was elected by the membership. The sales committee consists of Joe Dial of Pecos, Donald Haynes of Pecos, Bill Tackitt of Floresville; Vic Maspero of San Antonio; Glenn Lohringer, Floresville; George Fawcett of Tilden, and John Shannon of Port Lavaca.

We Have An Outstanding Group of Two-Year-Old Bulls and 18-Month-Old Heifers for Sale At This Time. Come by the Ranch in Dayton or Boling and visit with us.

For information regarding sale of cattle and/or semen, please contact John Joyce at AC 713/657-2212.

Clem's Brahman Average \$1,063

Texas, Ar. — Buyers and friends crowded Jimmy Clem's barn here on May 26 as his first Brahman production sale averaged \$1,063. The sale saw 92 lots gross \$97,750. Cherokee Negro 1/8B went for \$4,500 and high selling bull honors. He was purchased by Kenneth Cox of Devine, Texas.

Dr. Frank Daniel of DeQueen, Arkan-

was the top bidder on the high selling female. He gave \$4,500 to take home Ms. Cherokee Negro 1/8B.

The sale's volume buyer was M. W. Maxwell of Winfield, Louisiana. He finished the day with 14 head that totaled \$14,500.

Stanley Stout was the auctioneer. He sold lots to buyers representing Alabama, Arkansas, Louisiana, Mississippi, Oklahoma and Texas. John Watson and Dean Blackwell were the sale managers.

IT IS OUR BELIEF THAT EACH SUCCEEDING GENERATION OF BRAHMAN CATTLE RAISED ON THE M RANCH SHOULD BE BETTER THAN THOSE OF THE YEAR BEFORE. IF THIS WERE NOT THE CASE, THERE WOULD BE NO SENSE IN TRYING TO ESTABLISH A TOP HERD OF BRAHMAN CATTLE. WE ALSO BELIEVE THAT EACH YEAR OUR CUSTOMERS ARE BECOMING MORE SELECTIVE AND WE HAVE TO KEEP UP WITH THOSE DEMANDS OR FALL AT THE WAYSIDE. AT M RANCH, OUR CUSTOMERS ARE THE BOSS, AND WE DO OUR BEST TO BREED THE TYPE ANIMAL THAT WILL DO THE JOB FOR THEM. WE'VE BEEN HERE FOR MORE THAN THIRTY YEARS SO WE MUST BE DOING SOMETHING RIGHT. OF COURSE, THAT IS A REFLECTION OF OUR CUSTOMERS. THAT'S THE WAY WE DO THINGS AROUND HERE.

"IN THE PAST YEARS K-Bar Ranch has been a name respected in the Registered Hereford Field. More recently we have begun to establish ourselves as Quality F-1 breeders. By our continuous efforts to improve the quality of our Hereford herd, we have improved the quality of our F-1 herd as well."

We feel the recent acquisition of River Oaks Brahman bulls from Jim D. Brown's River Oaks Ranch will solidify our position as a breeder of Superior Quality True F-1 Braford. We believe these bulls of this progeny will outperform other Gray or Red bulls and we invite you to our Ranch to prove it to yourself.

Stuph & Thangs (CONT. FROM PAGE 1)

The very audacity of the common herd thinking they could cut off the Burrocrats warter has sent shock waves through the 'Big Spenders' in Govmint, past & present. For instance, one Walter Heller, who was one of the top economic advisors in the Kennedy-Johnson years when the Govmint was charmed with the idea that they could fine tune the Economy in such a way that the laws of supply & demand and the whole world's economic policies could be managed in such a dreamy way as to assure us perpetual prosperity, the horn of plenty in every household and Utopia and pie in the sky would reign forever & ever. Of course, this fiscal dream was soon exposed for what it was — unrealistic. Heller on Monday in the Wall Street Journal beat his breast and kicked & screamed that the idea of fencin' Burrocrats out of our pocket books was a "meat-Axe Radicalism". Like the other Liberals and Big Spenders the idea that Burrocrats don't have a Divine Right to pick our pockets and squander our taxes was simply more than flesh & blood could stand and would sure wreck every thing from the City Hauls to the State Houses. Frankly, we been thinkin' a little wreckin' in them places might not be the worst in the world and it sure wouldn't mean the end of the world if some of the phat was trimmed off in those places.

Accordin' to observers in California Proposition 13 will become a part of their Constitution. Whether it does, or not, there is one thing that has been accomplished — the Burrocrats have had their livin' hell skewed out of 'em and the whole idea of cuttin' the Govmint down to size has started a lot of folks in other parts of the country to figuring ways and means to halter break the Burrocrats.

New Mexico Directs Clovis, June 2 (USDA) — Slaughter steers and heifers 1.50 higher. Steers 3,000; Mostly choice 500-1075 lbs. 2-4 61.50-62.50; mixed and choice 980-1050 lbs. 60.00-61.25; load mainly good, few choice 1075 lbs. 59.00. Heifers 2,400; Mostly choice 850-925 lbs. 2-3 58.50-59.50; mixed good and choice 1025-1050 lbs. 58.00-59.00; good few choice 1025-1050 lbs. 58.00-59.00; good few choice 1025-1050 lbs. 58.00-59.00.

There is a difference between the right way and the right-of-way.

Selling will be 100 lots including the largest group of pure Simbrah cattle to ever be offered at auction. The sale also includes an offering of Simmental cattle ranging from a fullblood bull by Parisien and 7/8 blood bred open females to 3/4 blood bulls. All cattle in the sale are guaranteed to be sound breeders and A.S.A. registration papers will be up to date. Sale headquarters will be the Rodeway Inn, Seguin, Texas, 512/379-9881. Auctioneer will be Joe Mitchell. For information contact Ten Bar Cattle Company, Virgil Guerra, Jr., owner, Rt. 1, Box 8, Maxwell, Texas 78656, 512/857-8881; or Dr. Richard Nelson, D.V.M., 512/879-1270 office or 512/879-8945 residence.

'QUIK-UP' PORTABLE CORRALS

Quik-Up Portable Corral Panel

NEVER before has anyone offered a portable corral system like this! Quik-Up panels feature electrically welded joints of contact, heavy steel 2 1/2" tubular pipe in solid welded to each end. Panel is reinforced with diagonal brace or 1/2" full weight pipe. Smoothly welded joints add to strength and appearance. Completely painted after fabrication. Quik-Up panels will not take the place of heavy pipe panels, but they do offer an economical panel for use where super strength is not required. Every panel is fitted with dual pins at one end and double pipe sockets at the other. The slightly longer top pin is inserted first, panel easily lined up, and the bottom pin drops right in. The panel's legs extend 4" below the bottom rail so that the corral will stand on rough ground. The panels are light enough for one man to set up a corral easily, or to partition off another corral in minutes. Imagine, 10 panels - enough to confine 50 or 60 calves for less than \$300.00 - FREIGHT PREPAID.

The newly designed Quik-Up Portable Corral panel Gate installs easily at any point in the corral system by inserting pins of panel into gate sockets. Gate swings closed, matching sockets on panel and gate. Sockets are secured with two 3/4" latch pins furnished with gate. Who else but Bernstein Brothers could conceive such a practical, easily assembled and economical corral system?

Look!

This is the actual size of the 1/0 steel vertical rods. (approx. 5/16 inch)

This is the actual size of the 2/0 steel horizontal rods. (over 5/16 inch)

Openings are 8 inches x 12 inches.

Quik-Up Portable Corral Panel Gate

HENRI DE LOBBE International Fieldman Rt. 3, Box 154 Cleveland, TX. 77327 713/592-5043

WC Ranch is presently using this outstanding young herd sire in an extensive crossbreeding experiment on a large group of first calf heifers. We think the excellent muscle conformation and structural correctness as well as the unmatched pedigree of this young sire makes him an excellent choice in any breeder's program. Semen will soon be available.
